About **Sanita Serv-U**

Sanita Serv-U is a leading manufacturer of premium hygiene and paramedical disposables in the Kingdom of Saudi Arabia and the Gulf Countries.

The away-from-home section operates its business and **delivers its services to both professional and paramedical sectors** through 3 Napco National companies headquartered in the Kingdom of Saudi Arabia: Napco Consumer Products Co. in Dammam, Napco Riyadh Paper Products in Riyadh, and National Paper Company Ltd. in Jeddah.

With a continuous drive for manufacturing excellence, **Sanita Serv-U has progressively distinguished itself as a key player in the B2B sector. The brand**, **synonymous with quality assurance**, **supplies small**, **medium and large institutions with a wide variety of away-from-home products**, including facial and toilet tissue, paper napkins and towels, trash bags, cling film, aluminum foil, paper cups, paper sheets, dispensers, detergents, cotton buds and clinic sheets.

Guided by Napco National's **long history in customer-centric R&D**, Sanita Serv-U has gained extensive knowledge about the local professional and paramedical markets and their consumers' needs.

Our products and **innovative solutions** are a combination of trusted performance and **optimal respect for consumer's wellbeing**. We help our clientele create memorable and differentiated experiences for their target segments and achieve client satisfaction.

Sanita Serv-U is owned by INDEVCO and licensed to be manufactured by Napco National.

Our **Products**

Sanita Serv-U and other Napco National Family Care and Personal Hygiene brands manufacture and **distribute high quality**, **cost-effective product solutions** to a wide range of commercial and public entities, warehouse clubs, food-service, catering businesses and janitorial-supply companies. The quality paper-based solutions and product categories include **facial tissue**, **napkins**, **wipers**, **multifold**, **single fold and C-fold paper towels**, **along with dispensers**.

We constantly seek to extend our client base by expanding our portfolio of Professional and Paramedical Care Lines and adapting to emerging market demands.
